

### Job Title:

- Managing Directors
- General Management
- Design Engineers
- Service Engineers
- Maintenance Directors
- Engineers
- Planning Consultants
- Process Engineers
- Research & Development
- Technical Directors
- Production
- Chief Engineers
- Buyer
- Civil Engineer
- Construction Manager
- Finance

### OUR TYPICAL READERS

#### Sectors:

- Construction
- Cogeneration
- Consulting Engineers
- Industrial End-Users
- IPP's
- Service Suppliers & Utilities

Worldwide Independent Power remains the leading global industry magazine dedicated to the Independent Power and Cogeneration markets. The magazine ensures that you are always kept up-to-date, wherever you are in the world. Its focus is on Independent Power, Cogeneration plants and Onsite Power options which meet growing demands for reliable, clean and secure power supplies. WIP has a vast global readership which is constantly increasing throughout several sectors across the entire power industry.
