A QUICK INSIGHT OUR POWER PORTFOLIO

WORLDWIDE INDEPENDENT POWER

WIP is the leading global industry magazine dedicated to the Independent Power and Cogeneration section. Each month it provides high-quality, incisive and informative editorial, taking you right into the heart of the industry.

UK POWER NEWS

UKPN focuses on power generation products, processes, innovations and technology. Covers all aspects of Onsite Emergency Power and CHP Cogeneration & Renewables within the UK stand-by and Independent Power markets.

MIDDLE EAST POWER

MEP provides both technical and new in-depth market Intelligence on the Middle East Independent Power and Cogeneration sectors. Providing analytical studies on the usage of Genset, Turbines and Electrical transmission systems/switchgear within the region.

INDEPENDENT POWER ASIA

IPA is your direct gateway into the ever-growing power sector of the Asian region. It is the only magazine delivering in depth features, expert analysis and topical and relevant editorial on the Asian Independent Power and Cogeneration markets.

AFRICA POWER NEWS

Africa Power News provides key information about North, Central & South Africa's different electoral power sectors. Africa Power News follows the work harnessing the continent's enormous power potential with new grid developments, geothermal, hydro, wind and solar energy projects.

AMERICAN POWER NEWS

APN is the key magazine reporting & reflecting on power generation issues throughout both the Americas and Caribbean region. Each issue delivers a unique package of topical business, industry and technological news, as well as in-depth and informative articles from industry analysts and experts.

Worldwide Independent Power remains the leading global industry magazine dedicated to the Independent Power and Cogeneration markets. The magazine ensures that you are always kept up-to-date, wherever you are in the world. Its focus is on Independent Power, Cogeneration plants and Onsite Power options which meet growing demands for reliable, clean and secure power supplies. WIP has a vast global readership which is constantly increasing throughout several sectors across the entire power industry.
