The Worldwide Gen-Set & Cogeneration Directory is a powerful resource for professionals within the independent power sectors involved in engineering, manufacturing, servicing and purchasing functions.

The Worldwide Gen-Set & Cogeneration Directory will be distributed May 2021, brought to you by the publishers of Worldwide Independent Power, a leading global magazine for on-site power & cogeneration.

This unique directory will provide you with comprehensive international listings of suppliers and manufacturers within the independent power sectors including: Gen-Sets and CHP related products and services.

The Worldwide Gen-Set & Cogeneration Directory is also available online at:
www.gmpdirectory.com

DON'T MISS OUT

The most effective sourcing guide for the world's independent power sectors

THE INDUSTRY'S LEADING SOURCE

Engineers, Facilities Managers, Consultants, End Users and designers are constantly looking for new options.. And when they look for new suppliers, make sure **your** company is seen!

KEEP UP-TO-DATE CONTACTS

We care about **your** time and so we are constantly checking and updating contacts where necessary.

If you need to update / amend your listing please email:

powerdirectory@gmp.uk.com

The Directory is read by **thousands of end users and specifiers worldwide.**

Established as an indispensable guide, this directory is the ideal companion to help you navigate the year ahead! OEMs or suppliers can be found by simply looking at the product/country listing.

As always, there is our on-line version of the directory on our website www.gmp.uk.com ensuring that, wherever you are, the world of Gen-Sets and Cogeneration will always be at your finger tips.

For only £35 you can have your entry in the hard copy edition which will be automatically included on the web version.

Why not add a logo and bold frame around your listing, highlighting YOUR company for only £150 for the entire year!

For £275 you can have your logo in print + online!

Scroll down to fill out the interactive form and press submit once done (follow the instructions as per your preference).
